Hong Kong

Dear Mr. Han,
Re: Order No. 768197

I regret to inform you that there is a problem with the order we placed recently. On March 7, 2008, we requested an order for 20,000 long-lasting light bulbs. After receiving the shipment, we realized that only 2,000 of them had been shipped.

This discrepancy has caused our company substantial trouble since we had to make an urgent purchase to fill the orders our own customers made.

Please satisfy the missing portion of the order immediately, and make sure that this type of mistake never happens again. Otherwise, we will have no other choice but to turn to other suppliers.
