Exercise 3: Write a short paragraph (100-150 words) to describe your most memorable night out.

Write a short paragraph (100 - 150 words) to describe your most memorable night out.

My most memorable night out is a night I had a couple years ago. That night, I was riding bicycles with my husband along the beach of Itha Trang in Diamond Bay. It was a very lovely night - the weather was beautiful, so much different from the busy city life. After our ride, we went back to our resort room to enjoy our buffet dinner with our children. The dinner was a fantastic one - the food was fresh, the decor was luxurious. Overall, the experience was very pleasant. I really enjoyed my time spent with my family. I hope that we will have more trips like this in the future.
